

# *I will*

*I will live my life, like the way I want the way I chose  
Cause' I will be the same, no matter how the world would change I be  
the same*

*Bridge:*

*No matter what they think - I am who I am  
No matter what they say - I feel what I feel, I do what I do*

*Chorus:*

*I will always walk my own way (x2)*

*I will grow up, but I never will, get grey and old  
'Cause I will never change, no matter how the world would turn  
I be the same*

*Bridge:*

*No matter what they think - I am who I am  
No matter what they say - I feel what I feel, I do what I do*

*Chorus:*

*I will always walk my own way (x2)*

*"I'll always be me"*

*Chorus:*
